

Davy Crockett Birthplace

Sustainability Features

Waste Reduction

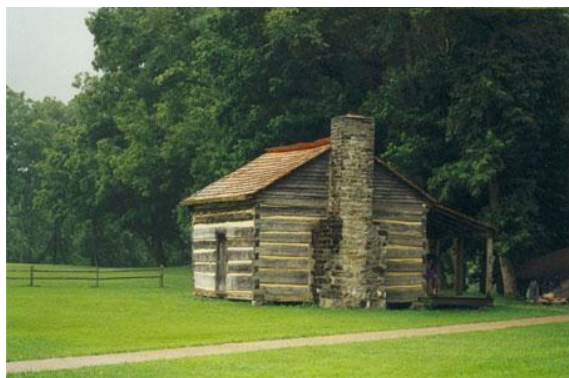

The Park offers aluminum and plastic recycling at various locations throughout the park and uses high efficiency lighting in several locations.

Recreation/Educational Opportunities

The Park hosts the Appalachian Heritage Fair and Crockett Days each year. There are also fishing opportunities on the Nolichucky River.

Historical/Community Significance

Davy Crockett Birthplace maintains a museum dedicated to frontiersman Davy Crockett. In addition, there is a replica of the cabin where he was born.

Moving Forward

Campground Upgrades

Campground renovations are in process. Following the facility upgrades, Davy Crockett Birthplace will seek Camp Right designation from TVA. This program seeks to promote sustainable campgrounds with safe with safe, high quality camping experiences while conserving the natural resources of the Tennessee Valley. Sustainable elements include stormwater management, water and energy conservation features, protecting and planting native species, as well as public outreach.
